MEMORANDUM FOR DIRECTORS OF CONTRACTING

SUBJECT: Contracting Information Letter (CIL) 02-14, Contractor Personnel in the Procurement of Information Technology Services

1. Federal Acquisition Circular 2001-02 contained a significant change to the Federal Acquisition Regulation (FAR) on the qualifications of contractor personnel. The change is quoted for your information and use:

"Contractor personnel in the Procurement of Information Technology Services. This implements Section 813 of the FY 2001 Authorization Act (Pub L. 106-398) which prohibits the use of minimum experience or education requirements for contractor personnel in solicitations for the acquisition of information technology services, unless the contracting officer first determines that the needs of the agency – (1) Cannot be met without such requirement; or (2) require the use of a type of contract other than a performance-based contract."

2. For additional information, contact Steve Hunnicutt, DSN 367-5691.
